“One of the key factors that
enabled change was trust...”

Physician, Most Significant Change

A GP for Me

Divisions of Family Practice

A GPSC initiative

**doctors
of bc**

“We have a very strong relationship
with the health authority... we’re now
starting to co-develop things.”

Physician, Most Significant Change

SETTING A FOUNDATION FOR THE FUTURE

A GP for Me

Divisions of Family Practice

A GPSC initiative

**doctors
of bc**

“ The momentum has just started...
we are still in the process of understanding
the lessons we have learned
... and the legacy we will leave.”

Physician, Most Significant Change

MOVING FORWARD TOGETHER

Continue and build on our work
